10 ft Cat5e Blue Snagless Crossover RJ45 UTP Cat 5e Patch Cable - 10ft Patch Cord

StarTech ID: RJ45CROSS10

StarTech.com's Cat5e Crossover UTP Snagless Patch Cables offer reliable Ethernet connections. This 10 ft cable meets or exceeds all Category 5e specifications, and features a durable blue jacket that simplifies departmental color coding while providing rugged flexibility for network connections.

To ensure long-lasting performance, our high quality Cat5e Crossover UTP Snagless Patch Cables feature a snagless design that protects the RJ45 clip from damage and makes the cables less prone to snagging during installation. The cables also feature PVC molded strain relief that prevents the RJ45 connector termination point from bending at sharp angles - reducing the risk of cable damage, which could decrease network performance.

StarTech.com's 10 ft Cat5e Crossover UTP Snagless Patch Cable is constructed of only top quality materials to ensure optimum durability and is backed by our Lifetime Warranty.

Applications

- Connects workstation to workstation
